Frequently Asked Questions

1. If I attend the lecture, do I receive a copy of the Bound Reference Book? Or, do I purchase the book and lecture separately?

The books and revision lectures are sold separately. Please note that in previous years, the books and lectures were sold together as a package. This year, due to popular demand, the books are being sold separately from the lectures. This allows students to obtain a copy of the book(s) prior to the lecture, so that they can begin their revision earlier in the year.

If you register for the lecture, then you will not receive a copy of the book. If you wish to obtain a copy of the book, then you should purchase this separately. Since the lectures and books are designed to complement each other, it is strongly recommended that you obtain a copy of the book(s) prior to the lectures.

2. I have a group of only four people, but one person is enrolling for both Mathematical Methods and Specialist Maths. Since our group is registering for five revision programs in total, are we eligible for the 'Group Discount (5 or more people)'?

Yes, any person who enrolls for both subjects can effectively count as 'two people' in your group. This means that your group of four would still be considered to have 5 or more people, making you eligible for the 'Group Discount'.

3. There are more than 15 people in my group and the 'Registration Form' only has space for a maximum of 15 people. What should I do?

Please print as many copies of the 'Registration Form' as are needed so that all the people in your group can be included – that is, if you have 20 people in your group, then you would print two 'Registration Forms'. Only one payment would need to be made for the entire group. The 'Total Amount and 'Payment Details' should be included on only the last of the 'Registration Forms'. Please staple all the 'Registration' and 'Personal Details' forms together before posting.

4. How does the online payment via credit card work?

Your credit card details are processed by PayPal, which is a company that specialises in online payments. Only confirmation of payment and NOT your credit card details are forwarded to Derrick Ha Student Coaching Services.

5. Do we make one payment for our entire group or should each person pay individually?

Please make one payment for the entire group.

6. When do registrations for the lecture programs close?

Final registrations for the lectures are scheduled to close on September 16. Please note that registration is also subject to availability. If places fill before the closing date, then registrations will be closed immediately.

If you have any other questions, please feel free to email contactme@derrickha.com.au .
